7716 Leak Lane
Chapel Hill 27516-8130

Dear Mr. Santa,

John

Thank you for your continued support of the Fisher House program. We believe that it is important to show those who have dedicated their lives through service in our Armed Forces that we recognize and appreciate their significant contributions and sacrifices, and care about them, particularly in their time of need. The Fisher House program was established out of this deep respect and admiration.

There are now forty-three Fisher Houses operating on the grounds of every major military and several large Veterans Affairs medical centers across the United States. These houses are uniquely designed to allow families to focus on the healing process, free from the financial worry of finding a place to stay in an unfamiliar city, while a loved one is hospitalized. Built as a gift, these houses serve as a tangible symbol of support for our military and veterans' families. Upon completion, each house is owned and operated by the respective service.

As you probably know, the Fisher House at Fort Bragg, North Carolina is scheduled to be replaced in 2009. Events such as your annual Marathon Jam this month is a wonderful way of generating funds specifically designated for that construction. Currently, tax-deductible donations can be made to support this capital program through Fisher House Foundation, Inc., with instructions to designate for the Fort Bragg project.

Fisher House Foundation, Inc. is recognized by the IRS as a valid 501(c)(3) organization and our tax ID number is 11-3158401.

Should you need additional information, please do not hesitate to call me.

Sincerely,

Derek Donovan
Vice President for Operations
